Action: 7.7 Award of Contract for Oakland Avenue Watermain Replacement (WS0203) to Wiggs Excavating, Inc. of Benton, Illinois in the Amount of $498,892.50

There was Council discussion regarding whether to award the contracts in agenda items 7.7 and 7.8 to the second lowest bidder in each case, as the second lowest bidders were Carbondale businesses. Support was expressed in favor of such action and in opposition to it. There were recommendations to consider amending the City Code relating to the local bidder preference at a future meeting. Other comments included considering ramifications for future contracts and the lack of guarantees that said businesses would hire Carbondale residents or purchase materials from Carbondale businesses.

Jerrold Hennrich and Charlie Howe spoke in favor of the amendment proposed by Councilman Doherty. Don Monty expressed caution to this action and to consider the many variables involved.

8. General Business of the City Council
Action: 8.1 Ordinance Approving a Text Amendment to Title One Chapter Two Article B of the Carbondale Revised Code Relating to the City Council's Rights and Responsibilities

This matter was removed from the agenda at the start of the meeting. No action taken.

Discussion: 8.2 Discussion Item 2019-02 Regarding Expansion of Mobile Vending as Licensed in Title Five of the Carbondale Revised Code

The City Council suggestions are as follows:

- Councilman Loos – no distance restrictions from other businesses; remove the restriction of being able to only operate from designated locations; don't subsidize operations by allowing them to operate on public streets without payment and such payment should be greater than meter fees; this release of restriction should apply to pushcarts; with regard to criminal history, look at what the crime was to make determination
- Councilwoman Bradshaw – do not completely do away with background checks or required paperwork submitted with applications; look at how to codify “good citizen” exception utilized by other municipalities; remove the designated locations and allow them to operate wherever
- Councilman Grant – supports using distance limitations from currently existing restaurants, either 50 feet or 100 feet; only allow them to operate from locations where it doesn't interfere with normal traffic flow or parking
- Councilman Doherty - does not favor relaxing current regulations, but in the event that Council decides to do so, do not open it up completely; consider expanding the designated areas; ensure adequate parking nearby food trucks; consider a possible cap on food trucks
- Councilman Kang – have designated locations for a gathering of food trucks; possibly consider doing away with the licensing fee, but retain the licensing requirement; do not change background requirements or currently required documents
- Mayor Henry – favors distance restrictions and easing up on criminal convictions
- Councilwoman Harvey – had an inquiry about current criminal history prohibitions

Brian Phillips encouraged the Council to consider the number of jobs per brick and mortar entity and the property tax generated.

Mitchell Cameron expressed agreement with Councilman Loos.
Nathan Colombo suggested establishing an allotment of specific lots for food trucks.

9. **Executive Session**
