Carl Martin was present to represent his establishment. The Commission requested information regarding the licensee's operation in violation of their license as issued.

Mr. Martin explained that they were on the verge of going out of business and made a determination to do what they could to remain open. He acknowledged that they violated their license based on the business plan that they submitted and that they would be operating more as a rental facility or event center in the future. Mr. Martin stated that alcohol would not be their primary revenue source, and that a restaurant license might be an appropriate classification. The Commission asked about the riders and classification held by the business and how to address the matter, as well as when. It was decided that the licensee would meet with the City Attorney and/or City Clerk to get the paperwork in order prior to the next meeting in January.

MOTION: Postpone action on the renewal until the next meeting.

Motion by Tom Grant, second by Ginger Rye Sanders.

Final Resolution: Motion Carries
